Walleye Wall

28 Years 1987 2015

The 2015 Season Numbers Are In!!

Larcy Menow

In 2015 Gunisao Lake Produced:

1155 MASTER ANGLER WALLEYES
-> 7 WERE AT LEAST 32 inches!!

42 MASTER ANGLER NORTHERN PIKE

1216 BUDD'S MASTER ANGLERS
CAUGHT BY **450** DIFFERENT ANGLERS!!

Mark Brandenburger

Budd's Gunisao Lake Lodge has once again dominated the Master Angler Award numbers for Walleyes in 2015. No other lake in Manitoba comes close to the number of Trophy Walleyes that Gunisao Lake produces. **450 different anglers caught an outstanding total of 1216 Master Anglers** at Budd's this year.

1155 of them were Master Angler Walleyes (at least 28 inches). That's **65% of all the Master Angler Walleyes in Manitoba for the 3rd straight year**. This includes 7 different people catching Walleye that were at least 32 inches. Mark Brandenburger and Larcy Menow landed themselves 32½ inch monster Walleyes.
42 Northern Pike were also caught; including a 45½ incher by Nathan Rettig. Peter Siudara caught the largest Perch at 13½ inches.

It was another great season - and we'd like to thank all of our anglers for contributing to another year of The World's Best Trophy Walleye Fishing at Budd's!

Walleye Walk

28 Years 1987 2015

You Can Win A FREE TRIP TO BUDD'S!!

Hats off to 450 of our guests who became Budd's Master Angler Club members this season.
Every year members of the BMAC are included in an annual drawing for a St. Croix Rod & Reel, and a Grand Prize of a free trip to Gunisao.

Be sure to join our email list and look for the 2015 BMAC prize drawing announcement coming soon to see if you won a free trip to the Lodge.

Congratulations to Pat Schnieder. He caught a Master Angler in 2014 to become a BMAC member; and won a free trip to Gunisao. Pat made the most of his free trip by bringing along his good friend Tom Wallrich, and landed 4 Master Angler Walleyes; with the largest being 31½ inches long. Nice work Pat!

Check Out The All New WALLEYEMANITOBA.com

In 2015 we introduced a new website, full of new features. One of our favorites is the interactive Master Angler Search. Users are able to search for Budd's Master Anglers in a variety of ways, see a photo of the catch, and view a map of the location (when available).

Starting this season, each of our guides are using iPads to take photos of every Master Angler caught at Budd's. This allows us to get some amazing photos and submit the catches to Travel Manitoba's Master Angler Program. All photos can be viewed on our website in the "Media" section during and after each season. Did you land a Master Angler at Budd's? Check WalleyeManitoba.t to see photos of you and your Trophy!
