ANGLERS JOIN 2013 BMAC IN RECORD-BREAKING STYLE

This season we launched the first annual **Budd's Master Angler Club**. **4 out of 5 guests landed a Budd's Master Angler**; qualifying them to join the BMAC. Many of our guests even broke some records along the way...

Single Group Breaks Record For Most Master Anglers Caught In One Trip

Group. 31 fishermen from this group caught an astounding 228 Master Angler fish in just 4 days. Tom

Talk about the fishing trip of a lifetime! Everyone at Budd's would like to send special congratulations to our Valspar, James Hardie, Power Process and Haddorff

Makelke caught the largest Walleye at 32 inches. Anthony Kunze's first trip with this group was also legendary. He landed 14 Master Anglers; including a 45 inch Northern Pike, and the largest Perch in all of Manitoba for 2013 at 14 1/2 inches.

Third Largest Walleye Caught In Manitoba In 2013 Was Landed At Budd's

Some people say a 30 inch Walleye is the mark to beat. On his first trip to Budd's, Tommy Hall from North Carolina jumped right over that mark by landing a 33 inch Walleye! Many anglers try their whole lives to catch a Walleye that big and very few ever do. Only 33 Walleyes larger than 33 inches

have been registered in Manitoba over the past 10 years. Catching the third largest Walleye in all of Manitoba for the 2013 season is definitely something to hang your hat on; so congratulations to Tommy for landing the big one at Budd's!
