Bears Break Into The Lodge

In the fall of 2017, Dusty's annual trip to winterize the Lodge took a very surprising turn for the worst. When Dusty and our pilot arrived, they discovered a window from the main Lodge had been broken, and glass lay all over the deck. Setting foot in the Lodge they saw destruction beyond words. Picture a tornado ripping through the interior, leaving piles of debris, and the most foul smells you can imagine. Unfortunately, a black bear or two had been going into the Lodge for 6 weeks while nobody was in camp; causing over \$250,000 in damage.

With winter on its way, overhauling the Lodge started immediately. Crews of people were flown in, measurements were taken, and the demolition began on everything that was now trashed.

Over the course of the fall, winter, and early spring, Dusty and Jennie picked out new flooring, kitchen countertops, shelving, ceilings, an industrial oven and stove, a new dish sanitizer, freezers, dishes, a keg-o-rator, and countless other replacements and improvements. New cabinets were built, items were put in storage, and cargo planes were lined up. In May, Dusty arrived in Winnipeg to begin the process of flying everything up to the Lodge and rebuilding.

With a lot of blood, sweat, and tears, Dusty and Jennie, staff members, and an amazing restoration company were able to put everything back together just in time for the start of the 2018 season. The Lodge was pieced together even better than it was before, and the results are stunning. The new kitchen, storage room, staff dining room, store, and flooring throughout the Lodge give the building a clean and updated look for everyone to enjoy.

Trophies On A Pontoon Boat

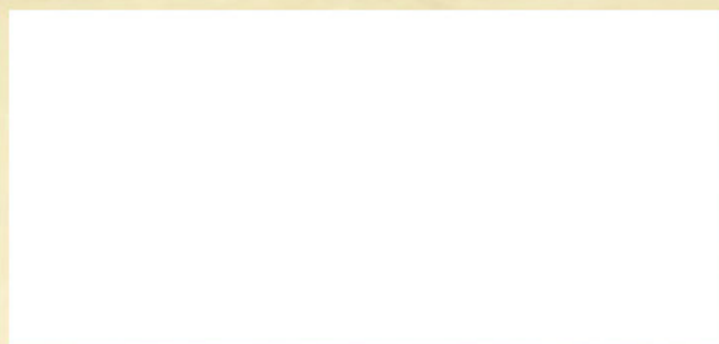

Have you ever wondered what it would be like if your group of 6 fishermen could all fish out of the same boat? Well at Budd's, now you can! This past May, a helicopter delivered a shiny new pontoon boat to Gunisao Lake. It offers comfortable and spacious seating, lots of room to move around while fishing, drink and rod holders, a canopy, and many other amenities. Along with our guests, Dusty, Jennie, Jackson, and Dakota were able to spend some great family time on the boat as well.

BUDD'S MASTER ANGLERS!!

In 2018 Gunisao Lake Produced:

1,007 MASTER ANGLER WALLEYES
-> 128 Were 30" or Larger!!
26 MASTER ANGLER NORTHERN PIKE

Mark Jones

Our 31st season of the World's Best Trophy Walleye Fishing at Gunisao was spectacular as usual. Ice out came late this year, but the fishing heated up quickly. Our anglers landed more than 10 times the number of Trophy Walleyes than any other lake in Manitoba. That means over 70% of all Manitoba Master Angler Walleyes in 2018 were caught at Gunisao. 357 different anglers landed a combined total of 1,051 Master Anglers in 2018.

This year we brought in some big ones! Of the 1,007 Master Angler Walleyes caught, an astounding 128 were 30" or larger. Peter Youngdahl landed the biggest - a 32 1/4" Walleye - the 4th largest Walleye in Manitoba (in 2018).

Along with a lot of Trophy Walleyes, Budd's anglers landed 26 Trophy Northern Pike, 8 Yellow Perch, 6 Sucker, and 4 Lake Whitefish.

Jason Mitchell

Trevor Jones and our pilot, Mark Jones (no relation), each landed a 44 1/2" Northern Pike, the largest of the season at Gunisao.

We also had the pleasure of hosting Jason Mitchell Outdoors Television, and Jason was quick to join the Budd's Master Angler Club with a 28" Walleye. Be sure to check out the Gunisao episode - airing in early 2019.

Thanks to all of our guests for another great season of Tropy Fishing, and congratulations to all of our Budd's Master Angler Club 2018 members!
